**SUBJECT: DMC SUD COST REPORT REGIONAL TRAINING FY 2015-16**

This is to inform you that the State of California Department of Health Care Services (DHCS) has mandated a new DMC cost report form for Fiscal Year 2015-16. According to the State, the structure of the SUD cost report forms is changed to obtain each legal entity's methodology for allocating costs between the various services provided by the legal entity, separated by provider number. The provider must demonstrate in their cost report the allocation base they used to distribute their total program costs to specific SUD programs and modality types.

In view of such changes, Los Angeles County, Department of Public Health, Substance Abuse Prevention and Control (SAPC) and DHCS will host a one day DMC SUD cost report training session.
